30 December 1948

MEMORANDUM FOR: Chief, Services Branch, A&M

SUBJECT: Project - [REDACTED] 25X1A2g

1. [REDACTED]

of

It is understood that all/the crates in project [REDACTED] could not be shipped by air. Consequently, 49 of these crates are being returned from [REDACTED] to Washington for shipment through Mr. [REDACTED]. These crates will have to be readdressed. The address and arrangements for shipping will be furnished by Mr. [REDACTED]

2. [REDACTED]

The shipment under this project will consist of the following radio receivers:

30 RAD-7 @ \$438 -- \$13,140
15 RBL-3 @ 350 -- 5,250

This equipment is available from [REDACTED] surplus stocks. The Advisory Council will notify the Chief, Services Branch when the funds for [REDACTED] have been approved by the Director. At that time it is requested that the Services Branch take steps to obtain this equipment.

Shipment of this equipment will be arranged through Mr. [REDACTED] of S.O. who should be contacted for information on crating and shipping address.
